**The British Hip Society is delighted to invite applications for a travelling fellowship, supported by the American Association of Hip and Knee Surgeons, culminating in attendance at the 2018 AAHKS meeting in Dallas.**

## Background

The British Hip Society will be guest Society at AAHKS in November 2018. As part of that, we are in a position to award a travelling fellowship to a young BHS member, immediately prior to, or within 5 years of, Consultant appointment.

The successful candidate will have an opportunity to visit one or two US arthroplasty units, selected from the prestigious units of AAHKS members, around the time of the AAHKS meeting, to be held in Dallas in November 2018. The fellowship will culminate in sponsored registration and attendance at the excellent AAHKS meeting.

AAHKS has become the premium meeting for arthroplasty surgeons in the United States. With all symposia and academic submissions heavily over-subscribed, the academic content, in both quality and quantity, is excellent.

The successful candidate will receive a \$10,000 bursary to support travel and accommodation around the time of the AAHKS meeting.

**Applications should be submitted in the form of a 250 word document, detailing why the BHS should select you, what you would hope to gain and how you would look to disseminate what you had seen among fellow BHS members.**

**Applications should be accompanied by a copy of your CV and the name and contact details of two referees.**

**Applications should be sent to Mr Andy Hamer, secretary of the BHS at ([ajhamer@blueyonder.co.uk](mailto:ajhamer@blueyonder.co.uk)) and should be received before midnight on Sunday 15<sup>th</sup> July 2018. The successful candidate will be informed by 23<sup>rd</sup> July 2018. For any further information, please contact either Andrew Manktelow ([a.mank@btinternet.com](mailto:a.mank@btinternet.com)) or Fares Haddad ([fsh@fareshaddad.net](mailto:fsh@fareshaddad.net))**
